The person collecting the sample must sign under "Sampled By" on "Sample Tag".

i. Place one completed large sticker tag from the top of the "Sample Tag" on top of the sample container over the evidence tape and the other completed large sticker tag on the side of the container. The remaining portion of the completed "Sample Tag" must be kept and NOT returned to the lab.

Note: Urine may be frozen, blood must be kept refrigerated and never be frozen.

l. Any discarded needles should be placed in an approved "Sharps" container by the veterinarian / veterinarian technician.

YOUTH LIVESTOCK RULES

All 4-H exhibitors wanting to sell market livestock must be 4-H members and follow current 4-H Market Livestock Project Rules.

All Exhibitors must comply with the following rules:

1. All animals in the Youth Division must be properly cared for and cleaned by the exhibitor, and the stall clean at all times. This means animals are fed and watered at least twice a day until released or shipped to the buyer. Failure to comply with this rule will result in the exhibitor being billed for the care or having such costs deducted from the proceeds of sale. Sale steers must be tied and shipped with a serviceable rope halter, or be charged for same. No wood chips, shredded bark, or colored bedding allowed for animal bedding. Animals in the Rabbit/Poultry Barn are fed and cared for by Superintendents unless other arrangements are made. Feeding schedule must be followed
2. All animals exhibited in Youth Division must be tagged, in exhibitor's possession, and recorded at the Allegan County MSU Extension Office, (269)673-0370 x 2557 by following dates:
 - A. Market beef and dairy steers - February 15, prior to the Fair.
 - B. Market sheep, swine, goat, and dairy starters - July 15, prior to the Fair.
 - C. Market rabbits(tattooed), poultry (banded) - Aug. 10, prior to the Fair.

Only two species per exhibitor will be allowed at sale.

A. All exhibitors must declare what two species they are going to sell on their entry form (due August 10th) and again at weigh-in. Penalty for not following this rule will result in the youth not selling any species at the 4-H Market Livestock Sale. An Animal change, due to injury or death of animal may be made up to the show of that species.

B. All Market Livestock Champions must sell. Champion animals do not count toward the two species limit at sale. Animals declared as NO SALE at the scale, and are not chosen as Champions, do NOT sell.

5. All animals shown in the Youth Division will be housed in the Youth Division barns. Any exceptions must be approved by the Livestock Superintendent. Stalls, pens and cages will be assigned by Superintendent of each Department. No stall, pen or cage set- up allowed until Wednesday before Labor Day.

A. Weigh-in arrangements other than listed on schedule may be made by contacting the Livestock Supt.

Animals not meeting the weight restrictions go home.

SPECIAL CONSIDERATION FOR DISABLED YOUTH: Special consideration in judging will be given to exhibitors that have a disability (physical, mental, emotional, and/or learning) which affects their ability to compete effectively with non-disabled exhibitors. Disabled youth may be assisted, as necessary, during project evaluation and/or in the show ring by a parent/guardian, leader or other youth exhibitor. It will be the responsibility of the "assistant" to inform the judging clerk (in case of project evaluation) or the show superintendent (in the case of animal science classes) of the reason for his/her presence at evaluation or in show ring.

During the fair it is the individual member's responsibility to prepare his/her exhibit for show/exhibition. In the case of fraud or deception discovered after **MARKET LIVESTOCK** has been judged and prior to sale in the appropriate 4-H/FFA Market Livestock Sale, the placing(s) will be voided, **AND**

the animal(s) in question not permitted to sell in the sale. The exhibitor will be required to remove the animal(s) in question from the grounds.

COMPLAINTS, CONFLICTS AND PROTESTS: When there is a problem or conflict at the fair, the chain of command needs to be utilized.

Step 1. YOUTH MEMBER is to bring the situation, with facts, to their leader that the problem pertains to (head leader for that species).

Step 2. If the leader, under his/her authority, is unable to handle this matter, he/she is to go with the youth and the youths parent /legal guardian to the appropriate superintendent.

Step 3. If the superintendent is unable to settle the conflict, together the leader the youth and their parent/legal guardian and the superintendent are to go to two Allegan Fair Board Members.

Step 4. If the two Allegan Fair Board Members cannot resolve the issue, all parties concerned will go to the Conflict Resolution Committee.
